KLC International Institute

1. ABOUT KLC INTERNATIONAL INSTITUTE

KLC International Institute (KLCII) is a human capital development organisation. Since its establishment in 1988, KLCII has been one of the pioneers of early childhood teacher training and development in Singapore. It is well recognised by the authorities for its innovation in professional training and lifelong learning.

Today, KLCII offers SkillsFuture Singapore (SSG)-funded, WSQ-approved courses in the areas of Business and Digital Transformation for working adults as well as small and medium sized enterprises.

KLCII's offerings range from foundational training, through diploma and degree programmes, to continuing professional development courses. Some of its tertiary offerings are the result of many years of close collaboration with international partners.

It is a member of the Crestar Education Group (CEG) with more than 120 kindergartens, preschools and enrichment centres in its network spanning Singapore, China, Malaysia, Indonesia, Bangladesh, Cambodia and Vietnam.

The institute's distinguished faculty are highly qualified and experienced in their respective fields. They have devoted many years to preparing and mentoring students for success in life – whether they are seeking to embark on new careers or to upgrade their skills and knowledge.

With one virtual and three physical campuses in Singapore, KLCII believes in learning within the context of sectorial ecosystems. Our students are expected to apply their learning through practicums and job placements. This is closely aligned to the work study scheme which is a preferred model of integrating lifelong learning with work.

KLCII has a strong track record of successful placement of students into jobs. KLCII is registered with the SSG and adheres to the statutory requirements of the Enhanced Registration Framework (ERF) to offer education services leading to the award of a certificate, diploma or degree. Our quality assurance can be seen through our accreditation with the four-year EduTrust Certification by SSG. The scheme recognises KLCII's ability "to consistently maintain a high standard of quality in the overall provision of education services and make continual improvements that lead to positive student outcomes". The accreditations have allowed KLCII to maintain the status of a SkillsFuture (SSG) Approved Training Organisation (ATO) since 2007 to conduct Singapore Workforce Skills Qualification (WSQ) funded courses.

3. STUDENT ADMINISTRATION AND SUPPORT SERVICES

3.1. Private Education Act

Under the Private Education Act, enacted in December 2009, the Council for Private Education was established to regulate the private education industry in Singapore. On 3 October 2016, the Committee for Private Education became part of the newly formed statutory board, SkillsFuture Singapore (SSG). Since then, SSG has overseen the private education sector, carrying out functions and governance duties under the Private Education Act of 2009.

Effective 1 October 2024, SSG will assume direct responsibility for exercising the functions and powers outlined in the Private Education Act of 2009 and its subsidiary legislation. All Private Education Institutions (PEIs) must comply with the regulations under the Act to continue their operations.

KLC International Institute has achieved a 4-year EduTrust status effective from 3 December 2023 – 2 December 2027.

3.2. Student Contract

The student contract is a critical document that governs the relationship between the private education institution (PEI) and the student. Under the requirement of PE Regulation Section 25(6) and EduTrust criteria 4.2, KLCII will execute a student contract for every course unless the course is less than 30 days or 50 hours in duration.

One Student contract will be valid for admission to ONE course only.

There will be a cooling-off period of 10 calendar days starting from the student contract signing date.

The PEI-Student Contract is adopted by the school for every course registration.

The PEI-Student Contract must indicate any special conditions or agreements that the PEI has mutually agreed with the students at the point of recruitment. The PEI-Student contract is a legally binding contract between the school and its students that encompasses the following mandatory requirements:

- Duration of the course, and whether it is offered or provided on a full-time or part-time basis;
- Commencement date and end date of the course; scheduled holidays, if any;
- Dates of all examinations, and major assessments and assignments;
- Expected date of the release of the results of the final examination, which shall not be more than three months after the completion of the final examination, unless otherwise permitted by the SSG;
- Expected date of the conferment of the award;

- Full names of the developer or proprietor of the course, and the person, organisation or institution conferring the award;
- Components of all fees payable by the student;
- Fee collection schedule, including any late fee payment policy; and
- Fee refund policy of the registered PEI.

3.3. Fee Payable

All fees payable by the students will be listed in Schedule B and C of the student contract.

After signing the Student Contract, student can make payment to the institute via the following methods:

- a. Credit card
- b. Nets
- c. Internet banking/GIRO/Telegraphic Transfer: students and institute bear their own bank charges.
- d. DBS Rapid QR code

Course fees must be paid in full according to Schedule B before the course commencement date. KLCII reserves the right to suspend the student's lessons until full payment of fee arrears is received.

3.4. Fee Protection Scheme (FPS)

With the introduction of the Private Education Act, all students' fees will be insured under the Fee Protection Scheme (FPS).

FPS protects students' fees in the event that a Private Education Institute (PEI) is unable to continue operating due to insolvency, and/or closure, as well as if a PEI is unable to pay a judgement sum due to a student. All course fees paid by KLCII students are protected under FPS, except for government-funded SSG courses which are granted a waiver by SSG.

KLCII has an FPS for international and local students. The FPS Insurance offers insured students protection against the following events:

- When the course fee paid in advance by the insured student has not been refunded, as a result of the student being unable to start or complete his/her course as a result of KLC International Institute becoming insolvent or being required by the Singapore authorities to stop operation.
- KLCII fails to pay the sum awarded by Singapore Courts to the insured student, where such award relates to a dispute between KLC International Institute and the insured student on course fees paid by the insured student to KLCII.

- S\$10,000 in respect of bodily injury caused by accidental means whilst in Singapore and within twenty-four (24) months from date of the accident solely and independently of any other causes resulting in the student's death or Permanent Total Disablement.

KLCII has appointed Liberty Insurance Pte Ltd as the FPS provider for our students. The insurance coverage will be for the entire course fee paid and any course fees arising from an extension of study period longer than the planned study period (if applicable).

3.5. Medical Insurance

KLC International Institute provides medical insurance for all students with the coverage for hospitalization and related medical treatment for the entire course duration. The exemption is only applicable to local students who are already covered by their own medical insurance plan. The group medical insurance provided by Liberty Insurance comprises the following coverage:

Feedback may also pertain to policies and processes. Where KLCII policies and procedures exist in relation to student discipline or academic matters such as appeals against results, expulsion and suspension, then these will take precedence over the dispute and grievance process.

KLCII has a 3-step process to assist students in seeking resolution in the event of dispute and grievance. These steps are to assist students to ensure resolution with minimum delay and inconvenience, while maintaining fairness to the students.

If the Campus Manager / Academic HOD is unable to resolve the issue, it will be escalated to the appropriate Vice President / Vice Principal (VPs), the VPs will attempt to resolve within the next 5 working days.

STEP 2

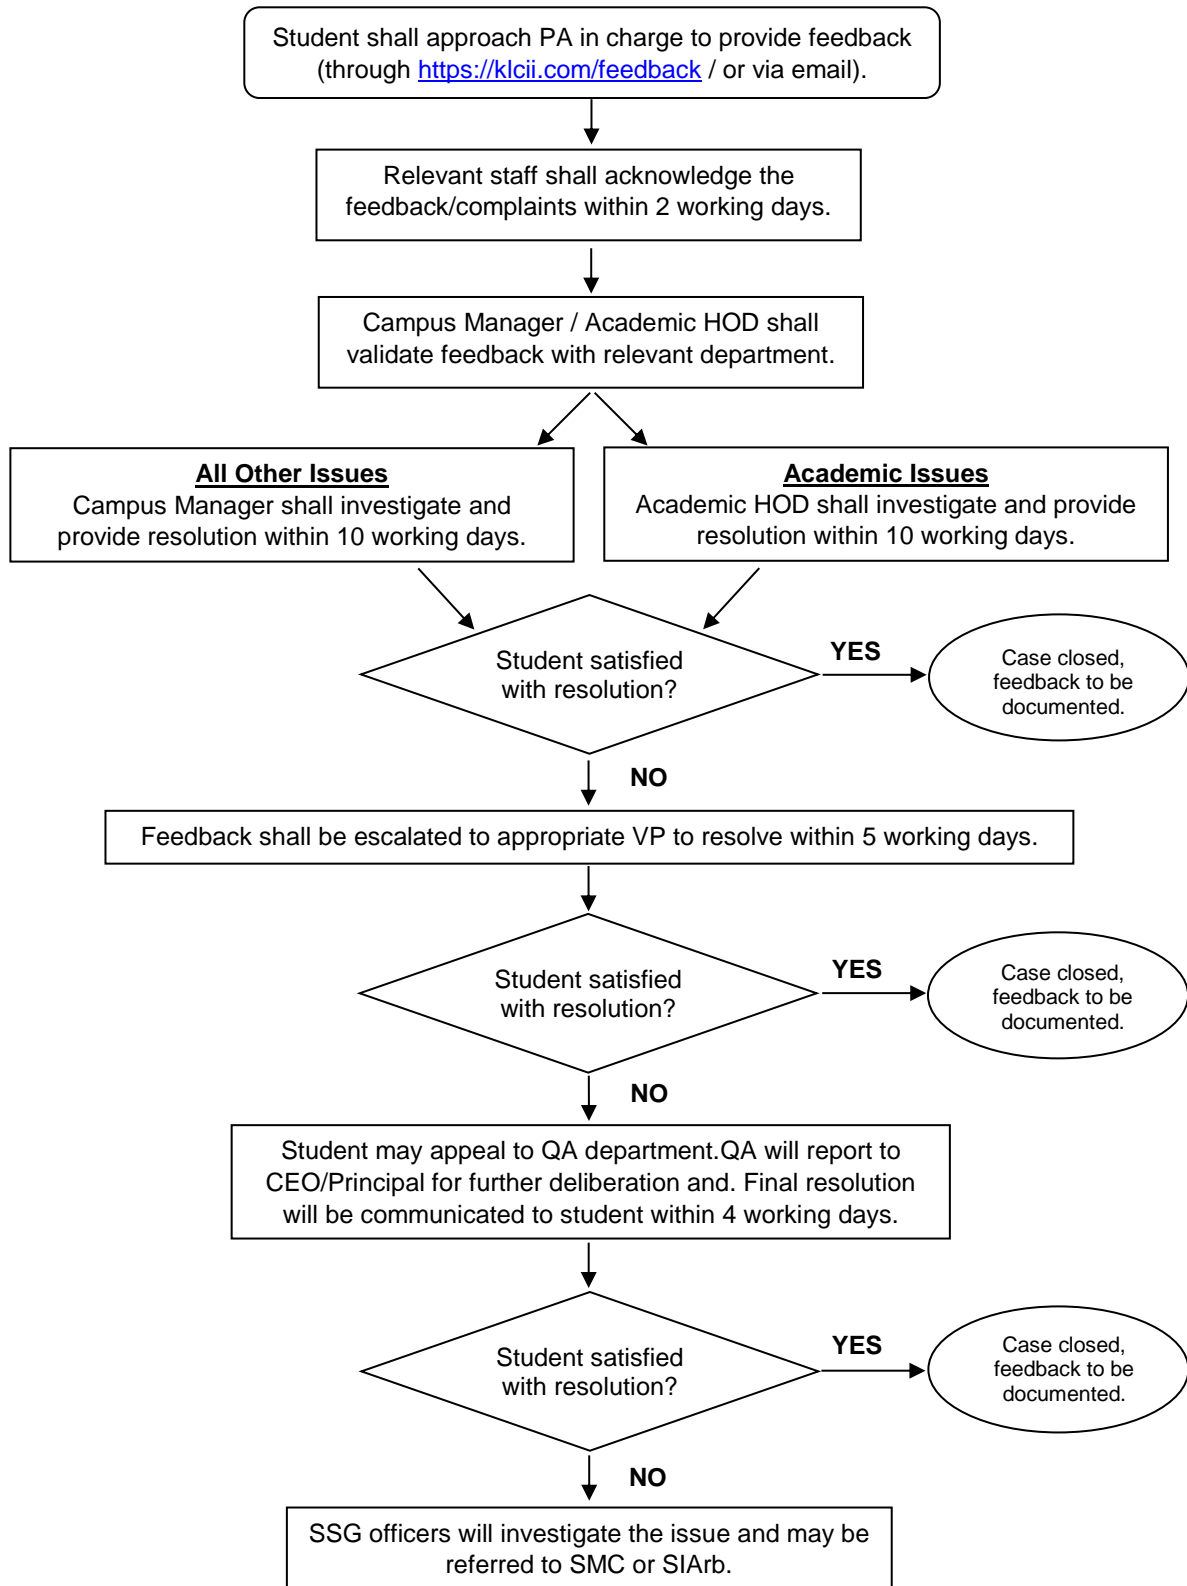

In the event that the resolution rendered is unsatisfactory, the student may opt to appeal the complaint, dispute, or grievance to the Quality Assurance (QA) Department. Depending on whether the issue is academic or non-academic in nature, the QA Department will report the case to the CEO / Principal for further deliberation. The final resolution will be communicated to the student within 4 working days from the date of appeal. KLCII will endeavor to address and resolve any complaints, disputes, or grievances in an amicable and timely manner.

STEP 3

If the student and KLCII are unable to resolve the complaint, dispute, or grievance amicably, either party may approach SSG for assistance (<https://www.skillsfuture.gov.sg/pei>).
Hotline: (65) 6785 5785

The SSG officers will investigate into the issue and may refer the dispute to SSG Mediation–Arbitration Scheme.
