About KLC International Institute (KLCII)

关于智源教育学院

KLCII is an acknowledged leader in the field of adult education and training, and a member of the Crestar Education Group - a leading education provider with a network of more than 120 centres in the region providing early years' care, education and enrichment.

Established in 1988, KLCII started out as a training institute for early childhood teachers. Today, we offer a comprehensive range of high quality programmes in Early Childhood Care & Education as well as programmes in Business, Chinese as well as English Language studies. Most of these provide a complete academic pathway from certificate, through diploma to degree levels.

KLCII has been appointed by Skillsfuture Singapore as a programme partner for the Early Childhood Care & Education sector in Singapore. Our Early Childhood programmes are also accredited by the Early Childhood Development Agency (ECDA), the regulatory and developmental authority for the early childhood sector in Singapore.

Our distinguished faculty are highly qualified and trained in their respective fields, and have extensive experience preparing and mentoring students for success in life – whether they are seeking to embark on new careers or to upgrade their skills and knowledge. Access to our parent company's extensive network of regional education and enrichment centres also provides our students the unique opportunities to enrich their learning experiences with hands-on exposure in the real working environment.
